Puss breaks in.

PUSS

CrimeBase, I've just broken into the old, abandoned magic factory and as usual, I'm looking for trouble.

CRIMEBASE

Yes, well, you just might find it today, DareDoll Puss. Especially with that attitude.

PUSS

And just what's that supposed to mean?

CRIMEBASE

Er, uh, I mean that, with that hairdo and your crime-fighting know-how, you're headed straight for the top!

PUSS

Oh well, that's okay then. Out.

She walks the maze.

She is bolo-whipped.

She is led by lasso out of the scene....

She wakes up tied beneath the pendulum. The villain sets it swinging. The villain leans in, rubbing his hands and chortling....

Spin-blur transition!

She is tied to a giant web.

VILLAIN

You seem tongue-tied, as well as body-tied, DareDoll. Perhaps if we were to loosen that mask of yours, it would loosen that tongue.

PUSS

Come again, you fiend?

VILLAIN

As always, I want that DareDoll activation code!

PUSS

Never!

He taunts her by tugging at her mask, but never quite pulls it off.

VILLAIN

Will you surrender what I want?

PUSS

I'd rather be eaten and pooped out
by some nefarious beast, you
nefarious beast!

VILLAIN

Oh yeah? Then say hello to my
little friend!

A giant spider is placed at her feet. It begins to climb her body!

It eventually ends up on her neck. It bites her and she passes out, hanging limply.

She wakes up alone and unties herself.

She walks the maze but bars close behind her--she's in the vise! The villain laughs at her through the bars.

The walls close in, flattening her. Can she escape?
