Pinx and Minx dress side-by-side.

MINX

Hey, girlfriend! Looking hot!

PINX

Not as hot as you, though, Minx!

MINX

We'd have to flip a coin to figure out which of us is the hottest DareDoll.

PINX

Speaking of hot, take care of yourself when you investigate the old, abandoned magic factory today.

MINX

Don't I always?

PINX

Just a little friendly advice....

MINX

Wise men don't need it and fools don't heed it.

PINX

Don't be a bitch!

Pinx leaves and Minx finishes suiting up.

MINX

(into the mirror)

Mirror, mirror, on the wall, in high heels don't let me fall!

Inside the factory and walking the maze, Minx is soon overtaken by a rope that wraps like a whip around her neck.

VILLAIN

Rawhide! Yee-haw! I caught me a filly!

Minx passes out from the chokehold, and is soon being conveyed to the first deathtrap.

Winched! Minx is nearly pulled through the Vise Walls onto a bed of spikes but she is too strong and defeats the Villain.

VILLAIN

Damn it! She's too strong! I should have thought this through!

Minx frees herself and gets out. A fight scene ensues in which she beats his butt, but she is immediately overtaken by the Magnet Wall.

We next find Minx tied around the middle with a glowing green cord, while Anti-Matter Gloves "magically" touch and tease her DareDoll zones.

VILLAIN

Let's just see if these Anti-Matter gloves shatter the super-strength in your DareDoll costume.... I predict they will ravage your DareDoll zones in seconds flat, or maybe minutes. Either way, your body will soon be conquered!

The Villain leaves as the gloves magically inflate themselves and begin caressing and teasing her body. Minx finally passes out and wakes up in the Lethal Susan.

VILLAIN

Now that you've been adequately tenderized, it's time to carve you open for dinner. This Lethal Susan should slice and dice you nicely!

The Villain exits as Minx turns like a lamb on a rotisserie, while sabers slice open her costume.
