INTRO/TITLECARD

We open with Sweets and Dusk lounging in a comfortable setting (fireplace, sofa, hot tub [bubble bath], etc.). They address the camera as though they were doing an infomercial for an "oldies" CD. They have cards at the ready, presumably filled with viewer questions.

SWEETS

Hello, at-home-viewers. I'm
DareDoll Sweets.

DUSK

And I'm DareDoll Dusk. We're here
at the lovely CrimeBase Lodge to
answer your mail.

SWEETS

That's right! You've got questions
for us, and we've got answers!

DUSK

Today, we're going to entertain
queries about costuming and
exercising.

SWEETS

We sure are. As you probably
already know, our day usually
begins with a trip to the DareDoll
Dressing Room and some sexy ballet
stretches.

DUSK

Yeah. They keep our muscles soft
and supple!

SWEETS

Here's our first question, Dusk,
from Mikey in Orlando: "Do you
have any leeway about which
costumes you wear, or does the
Wardrobe Mistress pick them?"

DUSK

That's a good question, Mickey.
Because just this morning we spent
some time figuring out what we
were going to wear.

SWEETS

But why tell him when we can just
show him, Partner?

DUSK
Yeah. Let's just show him.
(to camera with
a loving smile)
This one's for you, Marky!

VIGNETTE: costume changes...the girls decide to try on all the other DareDolls' uniforms!

DUSK
Wow. Did we really spend that much time primping for a date with a Peeper Brother or two or three?

SWEETS
Tell me about it. If only they knew how much work we put into this.

DUSK
Glamor don't come cheap, Sweets.
(turning to
camera)
Which brings us to our next viewer question. Jason F. of Poughkeepsie asks: "How do you stay in such great shape? Do you undergo extensive surgery or take drugs?"

SWEETS
I'll take this one, Dusk.
(to camera)
Not really, Jason. Because to be a living doll takes great commitment.

DUSK
Yeah.
(to Sweets)
And sometimes it takes a partner, Partner.
(to camera)
Which is why we'd like to show you some of our favorite partner-assisted stretches.

SWEETS
Yes. But remember, partner-assisted stretching can be strenuous, so please don't try it unless you're with someone.

DUSK

Yeah, and be sure to get a
physical first. From a real
doctor.

VIGNETTE: PARTNER-ASSISTED STRETCHING AND AEROBICS (AND BACK
MASSAGER MACHINE)

.
