DareDoll Minx descends the ramp.

MINX

CrimeBase, this is DareDoll Minx.  
I'm in.

CRIMEBASE

Be careful, Minx. We just discovered  
that the Peepers have acquired a  
Thisseldoer 2000 machine.

MINX

One more deathtrap doesn't scare me!

CRIMEBASE

Well, good luck. We wish you no  
specific harm.

MINX

If that's your way of saying,  
"Please don't become their helpless  
captive," then roger wilco. Over  
and out.

DareDoll Minx walks the maze, but is caught in a floor net  
and then dragged off down a long, hard hallway.

---

She is placed in a cage.

VILLAIN

How beautiful you are, Minx. We've  
been meaning to add you to our  
collection for quite some time now.

MINX

This cage can't hold me.

VILLAIN

You little hottie! You seem  
especially haughty today. Perhaps  
we should remove that mask of yours  
and see how pretty you are behind it.

MINX

You fiend! That would blunt my  
effectiveness as a costumed  
crimefightress!

NARRATOR

Fight the good fight, Minx! He may strip you of your privacy and maybe even the rest of your form-fitting costume, but he can't take away your dignity! Unless this episode ends with you basted and barbecued, that is....

He taunts her with a few determined tugs, but doesn't quite pull it off.

---

She is placed in the juicifier.

NARRATOR

Don't look now, dear viewer, but it looks like Minx is about to be dejuiced. Oh, I'm sorry! I made you look!

VILLAIN

This machine will extract your feminine essence, Minx. No perfume could smell so sweet as one distilled from your delicious juices, DareDoll.

MINX

You mean...you're going to juicify me?

Sweat beads on her forehead as the vial beside the juicifier fills with a colored liquid. She pounds futilely. She passes out.

---

She is strapped to a spit and basted with oil. She wakes.

VILLAIN

Hey, hot stuff! What's cooking? Oh, wait a minute. It's you!

MINX

Trial by fire cannot melt a heart beating true.

VILLAIN

Maybe not, but the rest of your body should dissolve quite nicely! In fact, you're going to melt like sweet chocolate!

NARRATOR

Will Minx become dinner or wind up  
a winner? Hang tight, at-home  
viewer! And as for you, Minx? Hang  
in there, baby!

Can she escape?
