DareDoll Minx breaks in.

MINX

CrimeBase, this is DareDoll Minx. I just broke into the old, abandoned magic factory. I will now of course explore for signs of evil-doing and try not to get trapped, tortured, and terminated in the process.

CRIMEBASE

Sounds good, Minx. I was going to suggest that you not get trapped, tortured, or terminated, but I didn't want to sound like one of those local news people who tell their viewers to stay warm when it's cold outside.

MINX

Yeah, I know what you mean. I hate that worse than dirt. Over and out!

She walks the maze.

DareDoll Minx passes by the Pirate Monk statue. It blow-darts her in the rear. It pulls off its mask to reveal the Peeper inside.

She is conveyed upside down in a wheelchair.

She wakes up as a Peeper ties her to a conveyor belt.

VILLAIN

Oh, how delicious! This all-over body frosting is almost as delicious as your body itself, Minx. It will become your sugary tomb!

She is covered with foam, but escapes. She wipes off the cream as best she can with a spandex towel.

She sits down in a chair, now completely clean and dry.

MINX

CrimeBase, it's me again. Would you believe the Peepers tried to turn me into the world's first human cupcake?

CRIMEBASE

Ah, sure.

MINX

Well, they did. But now I'm back on their trail!

She starts to stand up, but can't.

MINX

The fiends! They've coated this chair with all-over body glue! I'm trapped like a fly on a strip!

A Peeper mesmerizes her with the hypno-disc. She is entranced.

She is placed and tied beneath a spiked hanging boulder. It slowly lowers (off-camera winch for insert shot).

VILLAIN

Surprise, Minx! You're about to be dealt a crushing defeat, spikes and all!

MINX

Holy human pin cushion!

Can she escape?
